Christine Majerus Presents St George's
Assembly for the whole of Primary

St George's Day Tea Party Celebrations
(Video and Photos)

Dear Parents,

Despite a slightly shorter week, the newsletter is as packed as ever with a variety of activities going on at school – today's primary assembly with Christine Majerus being just one example. Our celebrations last Friday for St George's Day were very successful and we are looking forward to tomorrow evening's Media and Drama performances at school. We have had a number of students across the school working hard in Mathematics at both Maths Quest and the UK Maths Challenge – congratulations to all participants!

Thank you also to parents who have given us notice that they will be leaving the school in the summer; this advance notice allows us to make arrangements for staffing and forms for September 2017 in a timely fashion and also allows us to offer places for prospective families wishing to relocate to Luxembourg and enrol their children with us.

Next week's schedule looks as varied and as busy as always – we have the Friends of St George's after-work party as well as Camille Bloom performing on Friday, as well as a number of parent assemblies. Please do also take note of the community events advertised in the newsletter.

With my best regards,
Dr Barkei

Maths Quest, Geneva

Congratulations to Ana, Ioana, Noé and Tommaso for competing in last week's Maths Quest! St George's came 7th out of 25 competing schools, which is a massive achievement considering most of the schools coach their participants 2 or 3 times per week. We are very proud of Tommaso, who came joint 2nd place for the highest score for the individual round out of 100 children!! They worked extremely well as a team, which is what these events are all about. Well done.

Christine Majerus Presents St George's Assembly for the whole of Primary!

All of Primary were so thrilled to have met Christine Majerus this morning. She talked about her experiences as an Olympic cyclist, the importance of safety and we were able to ask many questions about her life in cycling. We were delighted to receive a complimentary water bottle from Skoda. We are now inspired to go out and cycle! Thank You Christine.

#CookForSyria | Saturday 13th May 2017 | 10:00am - 17:30pm

The ongoing conflict in Syria has caused the largest humanitarian crisis since World War II. Half of all Syrian refugees are children. They have lost family, friends, and schools and have been forced to flee their homes. The numbers are staggering, and the tragedy is overwhelming.

Food is the ultimate diplomat. Here in Luxembourg we love good food, and we embrace multiplicity. We can #CookForSyria in Luxembourg and bring together good people and good food for a good cause. Join on **Saturday 13th May 2017** for an incredible Syrian Dinner hosted at the International School of Luxembourg. This is a buffet style Syrian meal to be shared at large, family style tables or purchase a table for six. This will be a great opportunity to learn more about Syria and its culture while dining on authentic Syrian food! The #CookForSyria campaign aims to encourage everyone from top chefs and restaurants, to people at home, to cook and raise money in aid of this important cause.
