Trip to Chevetogne

Year 3 recently enjoyed a wonderful 3 days in Chevetogne, Belgium. They had the opportunity to visit a beaver dam and learn all about beavers and their habitat. The students were taught how to use axes and saws, they enjoyed a camp fire and loved discovering more about wildlife and following their nature trails. They also benefited from the independence and social skills learnt whilst sharing a bedroom with others and the benefits of teamwork in the gites and on activities.

More photos of the school trip are available [here](#).

in the AMIS Middle School Honor Girls Choir Festival at the International School of Zug and Lucern. To watch this performance, please follow this link: <https://livestream.com/accounts/844601/events/7316583>

In March our student, Euan participated in the AMIS High School Honor Band and Orchestra Festival which took place at the International School of Luxembourg. This featured musicians from around the world and the level of musicianship was excellent. The performance can be found here: <http://amis-media.org/2017-honor-band/>. In addition, Euan has been selected as one of three drummers in the world to participate in the AMIS Jazz Festival in September. This will take place in Singapore at the United World College of South East Asia.

St George's are also proud to have sent participants to the Jazz Skills Workshop in the Hague back in September 2016. These musicians became our fantastic jazz combo who have been performing throughout this year at a variety of events. They returned to the Hague in January with more students who had a one day workshop through the AMIS Solo and Ensemble Festival.

To all of the students who participated, our congratulations! And to those musicians who hope to participate in the future, please see Mrs Ni for information and advice, we'd love to see more of you have this great opportunity!

International Olympiad in Informatics 2017

Exam Study Leave – Summer 2017

Students and parents are reminded of the following procedures regarding study leave during the GCSE/AS/A2 examination period:

- Students who have an examination in the afternoon are not required to attend lessons that morning.
- If they have a morning examination they are not expected to be in school the afternoon before.
- Lessons will continue throughout the examination period, until the last paper has been sat in each subject.
- Students are advised to liaise carefully with their subject teachers and form tutor throughout the whole of the examination period.
- If a student has no exams on any set day, they are required to be in school all day and attend lessons as normal.
- SMSC will continue during this period. This is especially important for Year 12 as the students will be beginning the university research and application process.

#CookForSyria | Saturday 13th May 2017 | 10:00am - 17:30pm

The ongoing conflict in Syria has caused the largest humanitarian crisis since World War II. Half of all Syrian refugees are children. They have lost family, friends, and schools and have been forced to flee their homes. The numbers are staggering, and the tragedy is overwhelming.

Food is the ultimate diplomat. Here in Luxembourg we love good food, and we embrace multiplicity. We can [#CookForSyria](#) in Luxembourg and bring together good people and good food for a good cause. Join on **Saturday 13th May 2017** for an incredible Syrian Dinner hosted at the International School of Luxembourg. This is a buffet style Syrian meal to be shared at large, family style tables or purchase a table for six. This will be a great opportunity to learn more about Syria and its culture while dining on authentic Syrian food! The [#CookForSyria](#) campaign aims to encourage everyone from top chefs and restaurants, to people at home, to cook and raise money in aid of this important cause.
